

ADRA Ukraine

Humanitarian Response

24/02/2022 – 01/11/2023

About us

ADRA Ukraine is a part of the global network of Adventist Development and Relief Agency (ADRA) operating in over 130 countries worldwide. The charitable organization has been officially registered in Ukraine since 1993.

Our mission is to support people in need and the most vulnerable population, improving their lives, making them more active and successful in overcoming difficult life situations. Our charitable organization is constantly working to ensure that the necessary assistance is delivered on time and to the places where it is most urgently needed.

Type of assistance

Protection

ADRA Ukraine actively engages in activities intended to ensure the protection of the population during the war. We implement evacuation activities, provide social transportation and shelter for those who find themselves in challenging life circumstances. In addition, ADRA Ukraine provides legal assistance and organizes summer camps for children, implementing comprehensive measures to ensure the safety and well-being of the population.

52 768 beneficiaries
used ADRA social transport

40 265 beneficiaries
were evacuated from front lines
